Dear Sir / Madam

*UNDERTAKING*

This is to certify that I, ..... (*full names of applicant*) applied to take up studies / further my post graduate education and training in the speciality of / degree ..... (*name the degree or intended speciality*) at the University of ..... (*name of university*), South Africa for the period....  
..... (*full date*) to ..... (*full date*).

I herewith file written assurance with the Government of South Africa, like I have also done with the Government of my home country, that I will leave the Republic of South Africa upon completion of the basic training period for graduation in ..... (*name the degree or intended speciality*). It is my personal undertaking to upgrade my skills, knowledge and experience to the benefit of the communities in my country of origin. I acknowledge and accept the fact that the Government of South Africa **will not support** an application for a work permit and that I am not to apply for employment opportunities whilst temporarily residing in South Africa. All job offers made to me will also not be accepted. I hereby undertake **not** to apply for or demand registration in any capacity to practice after graduation.

I herewith submit documentary proof of sufficient funds to cover tuition fees, maintenance, medical and/or incidental costs whilst residing in South Africa.

Kind regards
