

Mpumalanga Students Association- MPSA

Short description of MPSA and its mission

Mpumalanga Students Association-MPSA is a registered non-profit company that aims to facilitate access to information and uplift the lives of young people living in Mpumalanga province. MPSA was established in 2004 at Wits and was initially intended to assist Mpumalanga students at Wits. The main focus of MPSA is to provide career guidance and mentorship to rural and township high school learners from as early as Grade 9. Facilitate access to university and college by applying for learners to universities, colleges, bursaries, scholarships and post-matric opportunities.

For university students we offer the following:

- We have a tutoring and mentorship programme which is fully sponsored which intended to assist mostly first years and other students who are struggling academically and still cannot afford having private tutors who will assist them on daily basis. Students do not have to pay any cent for this.
- Interview training, proper CV drafting, differences between student life and work environment, social media networks for job hunting, bursary and other sponsors applications,...etc
- Entrepreneurship and monetary training
- Career exhibitions
- Sports days and other distressing activities (braais and touring)
- To qualify for All the above services you only have to subscribe to be a member of MPSA, Please
- All students are allowed to join MPSA, students from other provinces and even foreigners are allowed to join. The name Mpumalanga Students Association is just representing where the society was formulated but that does not give any restrictions to membership.
