

The Rating System for pre-2008 Matric - Senior Certificate (SC)

Add up your points by using the rating system below to determine your score based on the six best subjects. The faculty-specific subject requirements for any degree must be included. The rating system does not apply to programmes within the Faculty of Health Sciences, or to foreign qualifications. Additionally, it does not apply to Senior Certificate holders who did not pass with an endorsement. Such applicants may be eligible for a certificate of Mature Age exemption from the South African Matriculation Board - <https://mb.usaf.ac.za/online-assessment-and-application/> which may be considered for certain Humanities programmes.
